

Credit Allocation Program (CAP)

Washtenaw Technical Middle College students must earn a minimum of 60 Washtenaw Community College (WCC) credits and *attempt* no more than 90 WCC credits.

Additional CAP rules:

- Students can attend WTMC for a minimum of 2 years (4 full semesters and 2 half semesters) or a maximum of 3 years (6 full semesters and 3 half semesters). Length of program is determined by the student.
- WCC credits attempted by WTMC students during the first WTMC semester (Fall) **do not** count towards the students CAP.
- WTMC course credits **do not** count towards the student's CAP.
- Credit by Exam (CBE) **does not** count towards the student's CAP.
- Students can enroll in 16 credits per full semester and 8 credits spring semester. Administrative approval is required to enroll in more credits than allowed.
- Students can pay for additional classes pending BASE teacher and dean approval.
