Transforming Education
Transforming Lives

May 15, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Washtenaw Technical Middle College (WTMC). The AER addresses the complex reporting information required by federal and state laws. Our staff is available to help you understand this information. Please contact Madeline Frederick at (734) 677-5044 for help if you need assistance.

The WTMC AER is available for you to review electronically by visiting the following web site <https://goo.gl/7QB1C6>. You can also review a copy in WTMC's main office.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Washtenaw Technical Middle College

Technical and Industrial Building 4800 East Huron River Drive Ann Arbor, MI 48105

themiddlecollege.org

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our school. For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name Washtenaw Technical Middle College	Status Label No Label	Key Initiative to Accelerate Achievement NA
--	---------------------------------	--

The students, parents, staff and faculty of WTMC should be extremely proud of their collaborative accomplishments during the 2016-2017 academic year. While this success is rewarding, we are committed to continuous improvement. Specifically, our primary goal continues to be developing the necessary curriculum and supports required for successful college students. Your continued support and feedback is essential to our ongoing success.

Sincerely,

Karl Covert, PhD
Superintendent/Dean
